Re: Permit to Appropriate 96-8499

Dear Mr. Dexter:

You inquired by telephone regarding a condition on the above mentioned permit stating that drilling permit requirements of Section 42-235, Idaho Code be complied with. The condition attached is a standard condition, and is not a specific allegation that you have failed to obtain the drilling permit. We acknowledge that Drilling permit 96-87-N-40 was obtained by the LDS Church, and that it corresponds to the location named in Permit No. 96-8499.

Drilling Permit 96-87-N-40 was approved for well Oct, 1987. Water right permit approved Dec 1987.
