Dear Mr. & Mrs. Hollingshead:

I recently received a 'New Property Owner Notice of Change of Water Right Ownership' form on the above referenced licensed water rights.

In Idaho, decreed, licensed, and claimed water rights are considered real property; therefore, proof of owning the land is proof of owning the water rights unless extenuating circumstances exist. Water right statute does not provide a means for changing owner of record for licensed water rights; although, I have placed your correspondence in each of the water right files.

If you have any questions, please feel free to contact me directly at (208) 327-7944.
