Dear Mr. Sisson:

I am returning a copy of your application for permit for a correction. In Item No. 3, the point of diversion was listed as the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$. When this was checked against a map, it was determined that Canyon Creek only flows through the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ in Section 15.

Please determine the cause of the discrepancy and make the appropriate correction. We must have a response within thirty days, or we will have to change your date of priority.

If you have any questions, please contact me at this office.
