Mr. Gary G. Sylte
Rt. 2, Box 322A
Coeur D'Alene, Idaho 83814

Dear Mr. Sylte:

The required publication of your application for water right permit No. 96-7571 has been made and the final date for receiving protests against the issuance of your permit is past with none received.

We have determined, however, that due to drought conditions there is temporarily no water available for this proposed permit. Therefore, we will delay further action on this application until the termination of the drought conditions.

We hope this delay does not cause you any inconvenience. If you have any questions, please do not hesitate to contact us.

Sincerely,

ROBERT G. HAYNES, P.E.
