Dear Mr & Mrs Ames,

I am returning your Application for Permit and check No. 92-325 together with an Application that I have taken the liberty of preparing. The change in Items No. 3A and 8A1 reflects the Government Lot description of your property. In Item No. 4, 0.04 cfs is equivalent of 18 gallons per minute and should be adequate for your uses. I have changed the nature of use from irrigation to domestic because, by definition in the Idaho Code, domestic includes the irrigation of up to $\frac{1}{2}$ acre of lawn and garden.

Please review the application, sign it and return it to us with your check for \$10.00.

If you have any questions, do not hesitate to contact this office.
