Dear Mr. King,

I have your letter of Dec. 20 about my water permit. I am in Taiwan, Republic of China right now and my sister sent me your letter.

I did have a pump on the well, but the pump was stolen. And since I am so far away and no one is in the cabin maybe it would be better to have you have the field examination made after I return to the States and can get another pump on it. I plan to return sometime in August, 1981. My sister and her husband live about three miles from my cabin and could show the well if you think it is necessary before I return, or later when I get back and I'm not there. Their name & address. Mr. & Mrs. Melvin Duncan
Rt. 1, Box 182, Priest River, Id 83856

Thank you for your help. I'll give you my return address, the same as theirs as they take care of my mail & can let me know.
Yours Sincerely,
