On September 14, 1981, I conducted an examination of your irrigation permit from Pend Oreille River within Government Lot 4, Sec. 4, T55N, R4W, Boise Meridian. Everything seems to be in order, but I must also examine the pump, sprinklers and distribution system.

I attempted to contact you at 448-1389, but received no answer. Please contact me at this office so that we can set a date to complete the examination for licensing of your permit. Since your system is small, the remainder of the examination should only take 15 minutes or so.
