Dear Mr. Robinson:

After May 20, 1971, it is required to obtain a permit from our Department before diverting any surface water. Since you first started using water from Cocolalla Creek in July of 1971, you should submit an Application for Permit rather than the Claim to a Water Right.

We have typed an Application for your review and signature, leaving items 4 and 5a for your completion. Please check all other items on the Application and if they are in order, sign at the bottom of Page 3 and return the form to our office along with the required filing fee. Our Fee Schedule is enclosed.

If there are any questions in this matter, feel free to contact us.

Very truly yours,

FRED EISENBARTH
