Dear Sir:

Mr Tom King acknowledged receipt of completion of water development and use for RE 96-7314 permit.

Mr Kenneth Knoblock examined the setup about Aug. 8-16, 1979 and said it was OK and I would be hearing from you with the license. As to date no license. I was in at Kenneth's office on Dec. 23, 1979 and they found their examination still in their file so said they would get it out the next day. By now I figure that I would have received my water license.

Will you please check into the above for me.
