Dear Mr. Finney:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell during which part of the irrigation season this examination will be made but our examiner will try to contact you at the time he makes the exam so that you may show him the system.

We note that on your proof affidavit you stated that you would install a measuring device if it is required. Please be advised that a measuring device is not required on this permit, and therefore, one need not be installed.

If you have any questions concerning the field exam, please contact our Northern District Office in Coeur d'Alene, Idaho.

Dear Mr. Finney:

One of the conditions of approval of your water Permit No. 96-7252 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before April 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Sirs:

I have filled in an application to appropriate public waters of the State of Idaho, but I do not have the fee schedule so that I may enclose the proper fee. Could you please, therefore, send me this information. I would like to stress this is for installing a pump not claiming prior water rights.

Yours truly,
