Dear Mr. Mews:

One of the conditions of approval of your water Permit No. 96-7228 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before December 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. Re: Permit #96-7228

Dear Mr. Higginson:

Please find enclosed the completed proof of application of water to Beneficial Use Forms for the above referenced well in Farragut State Park.

You will note that item 7(b) is not completed. We are requesting a waiver of this requirement on the grounds that the very high cost of an eight inch metering device on this existing Navy well, which is only irrigating 21 acres, is not justifiable.

If this waiver is not possible, please consider this letter as a request for a one year extension of time until we can find someone to complete the installation of the meter.

If you have any questions about this request, please contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Merl Mews".

Re: Permit No. 96-7228

State of Idaho, Dept. of Parks
Statehouse
Boise, ID 83720

Gentlemen:

One of the conditions of approval of your water Permit No. 96-7228 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before December 1, 1974. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
