SUBJECT: Permit No. 96-7198 (Walter Main)

I have reviewed Mr. Main's file and in all fairness, I will honestly admit that the error which was made in locating his point of diversion was my fault. Section 34, of Township 54 North, Range 2 West is located at the very top of the Quad Map, and I erroneously looked at the bottom of the map and listed the Township as 53 North.

Therefore, in order to establish a more perfect Departmental image to the public, it is my recommendation that we accept the error as being my mistake.

Dear Mr. Main:

A representative of this Department has made an examination of the works covered by your Permit No. 96-7198 and has found the following:

Quantity of water diverted: 0.04 cfs Source: ground water

Amount of water that can be recognized as beneficially used under Idaho law: 0.04 cfs

Point of diversion: NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 34, Twp. 54 N, Rge. 2W, B.M.

Beneficial use: Domestic purposes within the NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 34, Twp. 54 N, Rge. 2W, B.M.

Priority date established: July 20, 1973

Our examiner's report indicates that your property is actually in Township 54 N, whereas, your permit lists Township 53 N. Therefore, it will be necessary for you to amend the permit before a water license can be issued. We have enclosed a partially completed application for amendment for your use in this matter. Please sign the application and return it to this office with a \$10.00 filing fee within 20 days in order that we may issue your license as set forth above.

If you do not concur with these findings or have any questions, please contact us within the 20-day period.

Dear Mr. Main:

One of the conditions of approval of your water Permit No. 96-7198 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before November 1, 1974. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
