RE: Permit No. 96-7132

Dear Mr. Fleenor:

In rereading my water permit, I noticed that it is subject to proof of construction of works on or before May 1, 1974. My well was completed on June 25, 1971 and has been in use since that date. If you so desire, I can have a photostatic copy made of the paid bill together with a cancelled check for payment of the bill.

Please let me know if you want me to send these items to you.

Very truly yours,

Howard A. Blank

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Fred Eisenbarth
Water Resource Technician
Northern District
