State Reclamation Engineer

Dear Sir,

Please extend our time limit on proof of application of water for beneficial use which is now June 1, 1970. Due to an unusual work load increase, it is important that we receive this extension of time.

Thank you for your courtesy to this request.

Sincerely,

Hoyt L. and Edith C. Schuyler

Dear Mr. & Mrs. Schuyler:

One of the conditions of the approval of your permit no.
96-7026 was that proof of application of the water
to beneficial use be submitted to this office on or before
June 1, 1970.

Enclosed is an affidavit form which must be used to submit
this proof. You may request an extension of time provided the
delay is for reasonable cause as indicated in Section 42-204,
Idaho Code Amended.

Either the proof or a request for extension of time must
be received by this department on or before the above mentioned
date, otherwise the permit will lapse and be of no further force
or effect.

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates please contact us immediately.

An affidavit of publication must be submitted to the Department of Reclamation, along with the publication bill. In order to receive payment, the following certification must appear on the bill:

I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of same has been paid.

Signature of claimant

Very truly yours,

Donald W. McEldowney
