Your question is a little difficult to answer since you state that you only bought 25 acres and License No. 96-7022 is for 80 acres.

If you own the portion of the license described as the SWSE, then you have nothing more to do. If you own a different portion, I strongly suggest you either contact this office by phone or visit the office at your earliest convenience to complete the proper papers.

Dear Mr. Glabb:

One of the conditions of approval of your water Permit No. 96-7022 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before February 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Re: Permit No. 96-7022

Harold L. Glabb
Route #1
Priest River, Idaho 83856

Dear Mr. Glabb:

One of the conditions of approval of your water Permit No. 96-7022 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before February 1, 1974. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
