To Whom It May Concern,

This letter concerns Claim to a Water Right Number 96-04545. Kenneth E. Lloyd and Margaret E. Lloyd have asked me to write a statement concerning the continuous use of water from Cougar Creek for their property on Spring Creek Road. I am a previous owner of the property, I built the house on the property, and I used water from Cougar Creek while I lived in the house. After I sold the house to the Lockharts, they used water from Cougar Creek. The Lloyds purchased the property in 1974 from the Lockharts and they have used water from Cougar Creek ever since. I can state that water from Cougar Creek has been continuously used by all the owners of the Lloyd property.

Sincerely yours,

Clifford McChesnie

Dear Mr. Lloyd:

During a review of your Claim to a Water Right we have discovered that in Item No. 6 your legal description does not agree with the map (Item No. 8).

The legal description for the place of use, as it originally appears on the claim is the SWSE T56N R2E Sec. 9; whereas, if it should agree with the legal description for the point of diversion in Item No. 5, it should be the SESW T56N R2E Sec. 9.

Therefore, in Item No. 6, we have lined out the "X" you placed in the square for the SWSE tract and typed in an "X" in the square for the SESW, so it will agree with Item No. 5 and the map in Item No. 8.

Would you please place your initials on the line provided next to the typed-in "X" and also on the line next to the lined-out "X" to indicate that you agree with this change and then return the claim to our office for processing.

Also, enclosed is your Receipt No. N119 for \$30.00 for the filing fee.

If you have any questions, please contact this office.

Sincerely,

PATRICIA M. STYPA
