CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

(8) Remarks we are filing a permit application on this same claim. Originally pump supplied domestic use (2 houses) for an unknown number of years before 1956, continued to 1958. By 1958 both houses converted to one well. Pump irrigation for both houses continued, under the acre drained trial. IDWR advises this is not a continuation of domestic use, but a new 1959 irrigation use. (see above)

Dear Sirs:

I enclose six documents which I have numbered 1 through six in pencil at the top left, for convenience of identifying from this letter. Checks are attached to each one in full payment. There are two Form 202, Application for Permit, and four Form 243, Claim. All pertain to property owned by my mother, Norma H. Faricy, of the address in the heading. Her grandson, Christopher Lord, has been in pretty close contact with your office over the last two years about these papers, so you are perhaps familiar with the situation.

One word about contacting us: my mother is 91 and is here only in the summer. For your convenience, I would like to suggest the following ways of best contacting people who can best answer any questions you may have, or who can most quickly reply in knowledgeable fashion to information you may need:

Any further paperwork: Christopher Lord, 501 Bay Street, Apt. F,
Santa Monica, Calif 90405. Tel. is 213-392-6662

Any inspection on premises: Eric Braunstein, P.O. Box 22, Hope, Idaho,
83836. Tel. is 208-264-5336.

Mother will want to talk with anyone who might come while she is here, of course, but these addresses are for your use and information at other times. I strongly urge that all correspondence be sent to her grandson Christopher Lord at the Santa Monica address, because it is he who has been working on these papers with your office. Papers can get mislaid when they come to this address when she is in Pennsylvania with me in the Fall, Winter, & Spring

1. Application for Permit, Lake Pend Oreille, \$30 attached
2. Application for Permit, Ground Water, \$30 attached.
-----Remarks section in each will describe use-situation & dates
3. Claim, Ground Water, \$200 check attached
4. Claim, Lake Pend Oreille pumped water, \$200 check attached
5. Claim, Ground water, \$30 check attached (domestic, no deadline, p. 2 of instructions, # 10)
6. Claim, Lake Pend Oreille pumped water, \$200 check attached.
-----Remarks section explains on each one the use & situation

If you have any further questions, my mother's telephone number is 208-264-5517, although I urge you simply in the interests of saving your own time and of obtaining accurate & informed answers, to deal with her grandson (my nephew) Christopher Lord in Santa Monica. Thank you!

Sincerely yours,

Norma Condee
