STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that NORMA H. FARICY

RE: Claim No. 96-4540

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

Robert G. Haynes, P.E.
Regional Supervisor

Dear Sirs:

I enclose six documents which I have numbered 1 through six in pencil at the top left, for convenience of identifying from this letter. Checks are attached to each one in full payment. There are two Form 202, Application for Permit, and four Form 243, Claim. All pertain to property owned by my mother, Norma H. Faricy, of the address in the heading. Her grandson, Christopher Lord, has been in pretty close contact with your office over the last two years about these papers, so you are perhaps familiar with the situation.

One word about contacting us: my mother is 91 and is here only in the summer. For your convenience, I would like to suggest the following ways of best contacting people who can best answer any questions you may have, or who can most quickly reply in knowledgeable fashion to information you may need:

Any further paperwork: Christopher Lord, 501 Bay Street, Apt. F,
Santa Monica, Calif 90405. Tel. is 213-392-6662
Any inspection on premises: ~~Eric Braunstein, P.O. Box 22, Hope, Idaho,~~
83836. Tel. is 208-264-5336.

Mother will want to talk with anyone who might come while she is here, of course, but these addresses are for your use and information at other times. I strongly urge that all correspondence be sent to her grandson Christopher Lord at the Santa Monica address, because it is he who has been working on these papers with your office. Papers can get mislaid when they come to this address when she is in Pennsylvania with me in the Fall, Winter, & Spring.

1. Application for Permit, Lake Pend Oreille. \$30 attached
2. Application for Permit, Ground Water, \$30 attached.
-----Remarks section in each will describe use-situation & dates
3. Claim, Ground Water, \$200 check attached
4. Claim, Lake Pend Oreille pumped water, \$200 check attached
5. Claim, Ground water, \$30 check attached (domestic, no deadline, p. 2 of instructions; # 10)
6. Claim, Lake Pend Oreille pumped water, \$200 check attached.
-----Remarks section explains on each one the use & situation

If you have any further questions, my mother's telephone number is 208-264-5517, although I urge you simply in the interests of saving your own time and of obtaining accurate & informed answers, to deal with her grandson (my nephew) Christopher Lord in Santa Monica. Thank you!

Sincerely yours,

Norma Condee
