RE: Late Claim Filing

DATE: November 21, 1983

To the best of the recollection of everyone in the office, this claim was contained in a letter postmarked July 1, 1983.

However, the envelope containing this claim was inadvertently thrown away so we cannot substantiate that it was, in fact, postmarked July 1, 1983.

Because other claims from members of the same family did come in letters postmarked June 30, we felt that the best procedure was just to accept the claim as being filed in a timely manner.
