CLAIM TO A WATER RIGHT

Department of Water Resources
Northern Division Office
Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

RECORDED

No. 23211.

THE NORTHERN PACIFIC RAILWAY COMPANY, hereinafter called the Company, hereby permits

G. D. Annet, of hereinafter called the second party, to construct, operate and maintain upon its right of way and beneath its tracks a water pipe line along the course mentioned below:

Crossing the right of way of the Company's main line at right angles intersecting the main track at a point in its center line distant 750 feet eastwardly from Mile Post 19 at Lignite station, Bonner County, Idaho.

This permission is granted upon the following terms:

1. The second party will pay all taxes and assessments that may be levied or assessed against the improvements.
2. The entire cost shall be borne by the second party; the division superintendent of the Company will decide what portion if any of the work will be done by the Company, and for such portion the second party will pay the Company the estimated cost before the work is done; if the actual cost exceeds the estimate, the second party will pay the additional amount when called upon; if the actual cost is less than the estimate, the Company will repay the surplus. All work hereunder by the second party shall be done in a first-class workmanlike manner to the satisfaction of the division superintendent of the Company, and in accordance with plans and specifications which he may prescribe or approve. The division superintendent of the Company shall have the right at any time when in his judgment it becomes necessary or advisable, to require any material used in the work to be replaced with the same or with material of a more permanent character; also to require additional work or changes of location as a matter of safety, or of appearance, or on account of additional tracks being laid, change of grade, or for any other reason connected with the operation of the railroad of the Company; all of which shall be done at the expense of the second party in the manner herein provided.
3. The second party agrees that the improvements shall not at any time damage the railroad or structures of the Company, or be a menace to the safety of its operations; and to indemnify and save harmless the Company from all loss and damage to its tracks, roadbed, structures, rolling stock and other property, and from injuries to persons, occasioned by the improvements.
4. This permit cannot be transferred or assigned by the second party without the written consent of the Company.
5. If the second party shall at any time cease to maintain and operate the said water pipe line or shall fail faithfully to perform every agreement of this instrument, the Company may forthwith terminate this permit and may forthwith expel the second party from its premises; and at the end of the permit the second party will restore the premises of the Company to their former state.

6. This permit is effective as of September 1, 1910.

IN WITNESS WHEREOF the parties have executed these presents this 31st day of August, 1910.

No. 39997.

NORTHERN PACIFIC RAILWAY COMPANY, hereinafter called the Company, hereby permits

N. M. Sholz, of Westmond, Idaho,

hereinafter called the second party, to construct, operate and

maintain upon its right of way a 2 inch wrought iron water pipe line crossing the Company's Main Line right of way in Section 8, Township 55 North, Range 2 West of the Boise Meridian, in Bonner County, Idaho, near Cocolalla station, passing beneath the tracks through a larger pipe 3 feet below the top of the ties, intersecting the center line of the main track as now constructed at a point therein distant 110 feet southerly, measured along said center line from Mile Post 15 (which mile post is located 1613.7 feet southerly, measured along said center line, from the north line of said section).

This permission is granted upon the following terms:

1. The second party will pay all taxes and assessments that may be levied or assessed against the improvements.
2. The entire cost shall be borne by the second party; the division superintendent of the Company will decide what portion if any of the work will be done by the Company, and for such portion the second party will pay the Company the estimated cost before the work is done; if the actual cost exceeds the estimate, the second party will pay the additional amount when called upon; if the actual cost is less than the estimate, the Company will repay the surplus. RE: Claim No. 96-4500

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

Robert G. Haynes, P.E.
Regional Supervisor

Re: Filing Claims to Water Rights

Attention: Mr. Tom D. King
Senior Water Resource Agent

Dear Mr. King:

Enclosed are 31 individual claims to water rights that are being claimed by Burlington Northern. Burlington Northern does not claim at this time that it is presently using each right claimed, but the Burlington Northern does assert that it has a right to such use pursuant to the agreements attached to each individual claim. Please file the claim as submitted. Should it be necessary to adjudicate these rights in some future proceeding, Burlington Northern will be prepared to do so.

Also enclosed is our original check in the amount of \$990 for filing.

Thank you for your courtesies.

Very truly yours,

Michael Holland
