Senior water resource agent

Dear Sir

RECEIVED

SEP 22 1982

Department of Water Resources
Northern District Office

I would like to make an apology for my mistakes on lot 1. This water is not used for irrigation. The water comes from a spring on the SE part of lot 12 Block 3 Springdale Gardens. Springdale Gardens is a subdivision in Bonner County. The water is used at a house on lot 27 Block 4 Springdale Gardens. The only other building shown in map is just large enough to house an electric pump that must be used to pump water over a 45ft lift also for pressure at house. The small building is marked on map as "electric pump".

I hope this clears up any misunderstanding standing. I remain

Rose O and Mary h Davenport
R.D. I have lived in this house since the
spring of 1925
