Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

To Whom it May Concern:

This is just to verify that I personally know that the spring on the now, Beckett's property, of which they use for house water & Domestic use has been there since prior 1953 when I moved here. There was a red house ~~built~~ down near the spring that used that spring.
