Dear Mr Sletager,

Unfortunately a claim cannot be accepted by this department without a \$10.00 filing fee for each claim. On July 1, 1978, the filing fee will increase to \$20.00 for each claim.

To be of the most value to you the claims should be clear and complete. Since the claim is your sworn statement, I am not at liberty to add, delete or change any part of it. I would like to suggest, however, that you complete item 6a on the claim on the spring for domestic use. Also the information on item 2 should state the periods of use--As in domestic use "From Jan 1 to Dec 31", indicating the year around use; irrigation "from March 15 to Nov 15", indicating that you have irrigated as early in the year as March 15 and as late as Nov 15. These are only examples since I have no way of knowing the actual periods that you have used the water.

If you make any changes to the claims please initial each change made.

If we may be of any further assistance, please do not hesitate to contact us.

Sincerely,
