Gentlemen:

It is noted on my pencil copy of "Claim to a Water Right", the original of which was filed with your office this morning, that item No. 4 was not completed.

The date that I acquired the property was June 17, 1967, at which time use of the water was being put to use in the same manner as I have done since then. My predecessor used the water from the same source and in the same manner for a period of approximately 15 years prior to June 17, 1967.

It would be appreciated for you to insert whatever the appropriate date should be for this item.

Thank you.

Very truly yours,

Floyd O. Christensen
