Dear Mr. and Mrs. Rayfield:

Water rights are appertenant to the propriety. If water rights have been developed and transfered to you by deed, then you are owners of any existing water rights. A claim is merely a record of what an individual believes to be his water right. It in no way guarantees or confirms a water right.

Claim No. 96-4201 is the sworn statement of Terry McGuire, that a water right exists. Since it is his sworn statement, the name cannot be changed.

If this office can be of any further assistance, please do not hesitate to contact us.

Sincerely,

Re: Water Right Claim # 96-4201
Parcel # NE 1/4 NE 1/4 Sec. 15 Twp 55N

Dear Sirs:

In October, 1977 my husband & I purchased a 40 acre parcel. Our deed and title insurance state that exclusive water rights were granted to us by Terry A. McGuire, claimant of this water right.

We would like to know if it is necessary and/or possible to change the name of the claim to us since we own the property free and clear.

These rights are very important to our homestead and we want to be certain

that they are in our name.
We await your response.
Thank you very much.
