Dear Ms. Street:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, please contact us.

Very truly yours,

Mr. Craig E. Yutzy
503 Holcomb Avenue
Reno, Nevada 89502

Dear Mr. Yutzy:

We received your telegram and correspondence in connection with the above referenced claim; however, our Department has no authority to verify or disprove the validity of a Claim to a Water Right.

A claim is simply a sworn statement giving information about an existing water right. This information may be recorded with our Department, which Judith Street has done. Ms. Street is claiming that water has been diverted from an Unnamed Spring and beneficially used since July 1, 1870. If you feel that any part of the claim is invalid, you may file an exception to the claim at any time. An exception must be submitted in duplicate and in affidavit form, and will be made a part of the claim file. Our Department has not been authorized to take any further action on claims filed with our agency.

We were not certain what type of forms you needed for your water rights. If you are proposing to appropriate water in the future, this should be done on our Application for Permit form. If you wish to record existing water rights, you may do so on our Claim to a Water Right form. Please let us know which form you need and we will forward it to you.

Feel free to contact us if we may be of any further assistance.

Very truly yours,

ROBERT G. HAYNES, P.E.
District Supervisor

DEAR SIR:

I WOULD LIKE THIS ACTION STOPPED. THE WATER IN QUESTION IS ON MY PROPERTY. THIS WILL CAUSE MY PROPERTY TO DEPRECIATE IN VALUE AND BE IMPOSSIBLE TO SELL. PLEASE SEND ME FORMS TO FILE WATER RIGHTS ON MY OWN PROPERTY.

Thank you
Craig E. Vutzy
