Land Developers Pope and Lily Hedlund had the Monkey Jack Water system built and filed Articles of Incorporation with the State of Idaho 4-28-72. This document is inactive as of 1-1-1974 for non payment of the annual fee.

As far as we are able to ascertain no application for water right was ever filed.

The land development has failed and we as former owners, are requesting a Lease with option to buy the water system.

During the time we farmed the property we had a water permit to take water from Boyer Inlet, the tributary of Lake Pend O'Reille for irrigation purposes. This permit was prior to 1970.
