Section 42-225a, Idaho Code

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that James &/or Martha R. Colliander
(name of claimant)
of Route 1, Box 327, Sandpoint, Idaho, claims a right to the diversion and beneficial use of
