Application for Permit No. 96-7290

Mr. Arthur J. Petersen
Star Route, Box 481
Hope, ID 83836

Dear Mr. Petersen:

Enclosed is your receipt No. 14114 in the amount of \$20 for the filing fees on the above referenced items.

In you letter, you asked if it is necessary for each new owner to file a Claim to a Water Right each time the land is transferred. Once the Claim has been filed with our Department, then it is not necessary for a new owner of the original water right to again record the right with our Department. The previous owner would transfer the claim to the new owner. However, in your case, the spring had never before been recorded. Now that you have submitted the Claim, it can be passed on to the new owner of the land.

If we may be of any further assistance in this matter, feel free to contact us.

Very truly yours,

Sirs:

U.S. DEPARTMENT OF AGRICULTURE
BUREAU OF LAND MANAGEMENT

I submit herewith our "Application for Permit" and "Claim to a Water Right," along with a check for \$20.00. to pay the two \$10.00 fees.

A question arises in my mind relative to the fees for the Claim to Water Right. The deed I acquired conveyed the spring along with the property. Does each new owner have to institute a claim for water right? We are retired and would like to avoid the \$10.00 fee for that if a price fee was all that was necessary. 96 4122

We trust everything else is

in order,

Sincerely
Arthur Petersen
