Re: Application for Permit of Olson Farms

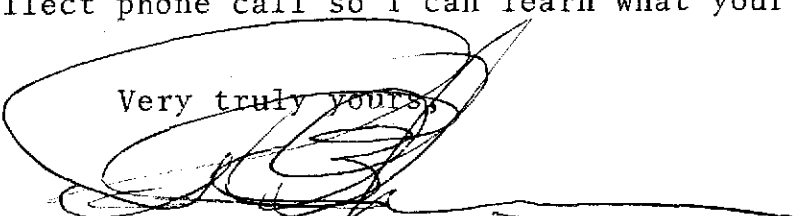

Gentlemen:

We return herewith the application for permit that you
returned to us on October 31, 1983.

I do not know what changes to make to satisfy your re-
quest. We have shown the description to be in the Southeast
Quarter of the Northeast Quarter, and on the map we have
placed the well site as being in the Southeast Quarter of
the Northeast Quarter. We can't do much in the way of
piping and the like, since this is a well, and is to be used
at the site.

Please give me a collect phone call so I can learn what your
objection is.

Very truly yours,

Peter B. Wilson
