CONDITIONS/REMARKS:

1. The maximum diversion volume is defined as the maximum allowable volume of water that may be diverted annually from the source under this right. The use of water confirmed by this right is limited to the amount which can actually be beneficially used. The maximum diversion volume may be adjusted to reflect cropping patterns or acceptable standards of water delivery efficiency.
2. This water right is appurtenant to the described place of use.
3. This right is subject to all prior water rights and may be forfeited by five years of non-use.
4. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho law.
5. Domestic use is for 1 home.

Dear Permit Holder:

We are planning to conduct water right field examinations in the vicinity of your above-referenced Water Permit during the week of August 10, 1987.

A field examination is needed to verify your water use so that a water license can be issued. In order to conduct your exam as efficiently as possible, please call this office to schedule a day and time during the above-referenced week which will be convenient for you. Please note that your system should be operating under normal conditions during the examination.

If there is a problem with scheduling or conducting the examination at this time, please call us at 765-4639 and other arrangements can be made.
