Re: Permit No. 98-07359

On November 25, 1985, the department received the proof of beneficial use form for the above referenced permit.

The proof form was signed as Sora Huff instead of Sora Hine-Schreiber as the permit shows. Since a water right permit is considered personal property, I advise you to complete an assignment form showing your name change. Enclosed is an Assignment of Permit form. Please review the information I typed, sign the form before a notary public and return it to this office.

Since the signature on the proof is not the same as on the permit, I will hold processing of the proof form until the assignment is received.
