Re: 98-7290

Dear Mr. Wright:

Your water right has gone through the complete filing process and is now a license. As such, it is not possible to change the name because there is nothing in the Idaho Code which provides for this.

This water right license becomes part of the real property and will be transferred to a new owner automatically, as long as it is not specifically withheld in the deed.

We are enclosing a copy of the license for your records and returning your copy of the permit. Your letter will be included in the file to reflect the change in ownership.

If you have any questions, please contact us.

Sincerely,

ROBERT G. HAYNES, P.E.
