Dear Mr. Jenison:

After reviewing the Application for Permit you submitted to our office, it appears that you obtain water from an Unnamed Creek and also from a well. Since these are separate sources of water, and therefore separate water rights, they should be listed on different forms. We wish to advise you that it is not mandatory to file an Application for Permit for a well used for one domestic household.

We have typed two forms for your convenience, and we are returning them for your review. Also enclosed is your Money Order No. 15-20 in the amount of \$10.

Please check all items on both forms and if they are in order, please sign both at the bottom of Page 3 and return them to our office, along with the required filing fees. Should you wish to file the Application for your well, it also must be accompanied by a \$10 filing fee, as well as the Application for water from the Creek.

If there are any questions in this matter, please do not hesitate to contact us.
