Your ID Nos. 98-4011 and 98-7168

Dear Mr. Haynes:

Enclosed find map indicating location of the springs that Mr. Watkins has corresponded with you about.

The Southernmost spring with the circled "X" relates to Lew McFarland's claim under ID 98-4011. The Northernmost spring marked with an "X" relates to Mr. Watkins' application for a permit, ID 98-7168.

Mr. Watkins want to transfer the claim to a water right (ID 98-4011) to his name. I believe the information in this letter and on the map will complete the claim and allow for transfer to him.

ID 98-4011 relates to domestic and irrigation use, primarily domestic, with a priority of use of approximately 1964.

Yours truly,

James F. Lyons
