Dear Mr. & Mrs. Wilson:

One of the conditions of approval of your water Permit No. 98-7158 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before April 1, 1977. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Pursuant to your letter, enclosed is an Application for Permit form for your well.

We wish to inform you that if the well is used for a single domestic household, it is not mandatory to file an Application for Permit with our Department; however, this procedure is recommended.

If the well was drilled and the water beneficially used prior to March 25, 1963, you may wish to file a Claim to a Water Right with our Department to record the water right. Again, this is not mandatory; however, we will forward this form to you upon request.

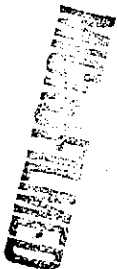

If there are any questions in this matter, or if we may be of any assistance in completing the enclosed form, feel free to contact us.

Very truly yours,

ROBERT G. HAYNES, P.E.
District Supervisor

Gentlemen:

We recently purchased four acres in Boundary County, Idaho on which we plan to build a home.

There is an existing well on the property which was put in by the previous owners. We have been advised that it will be necessary for us to file a water permit.

Please send the necessary information and application for filing such a permit as soon as possible.

Sincerely,

William T. Wilson
