We thank you for sending these applications for permits typed and sent to us. Everything seems to be in order. I have left a few blanks, as to cost, with prices fluctuating. So, we hesitate to set cost; as to actual specifics, (pg. 1 #6 B, C), we plan to have Mr. Tom Parrish of the Soil Conservation Service give us direction and advice. Please let us know when our applications have been processed as we wish to begin improvement as soon as possible.

Thank you;
