and wife; Idaho Department of Water Resources,
Coeur d' Alene, ID.

Be advised that VERA HADDOCK ELLIOTT hereby
terminates your rights in and to a certain well located on
her property.

The reason for this is violations of use on sev-
eral occasions by the afore-named or tenants on the property
in that domestic animals were watered in other than the winter
months from said water supply; the water was used for irrigation
purposes; cars and trailers were washed; the water was allowed
to run continuously; the failure of Robert and Cecilia Gilbert
to advise tenants of the limited water use requirements; the
failure to promptly pay under the agreement.

Further grounds for termination are violations of
Paragraph 5 in that the design of the water delivery system
has never been made to assure Vera Haddock Elliott of the
first 4 gallons per minute flow from the said well.

You are further advised that Vera Haddock Elliott
hereby exercises her right of reverter in Paragraph 4-d.

Dear Mr. Haddock:

One of the conditions of approval of your water Permit No. 98-7075 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 1, 1974. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
