Dear Mrs. Sawyer,

I am enclosing a copy of our assignment of permit form, which you should have Mr. Chamlis fill out, assigning all or a part of his permit #98-7060, to you and your husband. This will allow the department to put this file into your names.

You may wish to complete the enclosed copy of the request for an extension of time to prove beneficial use. Give as much detail as you can, although I have placed your request in the file already. For example, in your letter of August 4, 1977, you did not tell us how much longer you would like to have before the proof would be due.

Please feel free to contact either this department or our regional office in Coeur d'Alene for assistance.

Sincerely,

Kay Weaver

Mrs. J. J. Sawyer

Dear Sir,

We would like to request
an extension of time for completing
our water project. We have
purchased our pump but have
not yet installed it.

We would like the permit to
be changed to our name from
W.C. Chamblis, Box 1102, Moyie Springs.

We bought the property in
1973 and only recently received
this information from the
previous owner. Are there any
papers to be signed transferring
permit to our name from
theirs?

Sincerely,

Tom J. Sawyer

Dear Mr. Chamlis:

One of the conditions of approval of your water Permit No. 98-7060 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before September 1, 1977. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
