Dear Dianne:

REFERENCE: WATER RIGHTS APPLICATIONS
RUTH / 98-04302, 98-07796, 98-07797

We have reviewed the water rights applications by the Ruth's for appropriations and storage near Meadow Creek in Boundary County. The appropriations are small and from spring sources, and we do not expect significant impacts to the stream or its fishery. For the proposed fishpond, the applicants should be aware that they will need to contact the Department regarding stocking and pond permits. If they intend to use the pond for wildlife purposes, they may wish to contact us for technical assistance through our Habitat Improvement Program.

Provided the pond is constructed so as to prevent fill material being transported to Meadow Creek, will not impact the Meadow Creek floodplain, and is appropriately permitted, we have no objection to it.

Thanks for the opportunity to comment.

Sincerely,

Greg Tourtlotte
Regional Supervisor
