Re: 98-4273 AMENDED

Dear Mr. and Mrs. Thurman:

A review of your Claim to a Water Right No. 98-4273 has shown that an error was made in the legal description for Item No. 6 - the place of use. We are enclosing a copy of the original claim for your convenience.

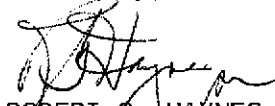

Item No. 6 shows the place of use as Township 65 North; whereas, Item No. 5 shows the point of diversion as Township 63 North, twelve miles away.

We have ascertained that the place of use should also be Township 63 North and have, therefore, taken the liberty of preparing an Amended Claim correcting the legal description in Item No. 6.

Please review the Amended Claim carefully for any other errors or omissions and correct any that you find by initialing your correction. Also, please sign the Amended Claim before a notary public and return to our office for further processing. There is no filing fee for an Amended Claim.

If you have any questions, please contact this office.

Dear Mr. and Mrs. Thurman:

A review of your Claim to a Water Right No. 98-4273 has shown that an error was made in the legal description for Item No. 6 - the place of use. We are enclosing a copy of the original claim for your convenience.

Item No. 6 shows the place of use as Township 65 North; whereas, Item No. 5 shows the point of diversion as Township 63 North, twelve miles away.

We have ascertained that the place of use should also be Township 63 North and have, therefore, taken the liberty of preparing an Amended Claim correcting the legal description in Item No. 6.

Please review the Amended Claim carefully for any other errors or omissions and correct any that you find by initialing your correction. Also, please sign the Amended Claim before a notary public and return to our office for further processing. There is no filing fee for an Amended Claim.

If you have any questions, please contact this office.

Sincerely,

ROBERT G. HAYNES, P.E.
