Dear Sirs:

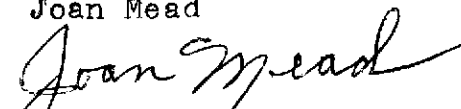

This is to certify that we are familiar with the history of a log cabin located on the portion of Lots 3 and 4 of Section 31 Township 65 N, Range 1 W lying west of the main drainage ditch of Drainage District Number 10 Boundary County Idaho.

We have been life long residents of Boundary County and recollect that the above described cabin was built in approximately 1938 by Mr. Walter Hendricks, was later purchased by Mr. and Mrs. Henry Woelk, and in 1971 was purchased by Mr. and Mrs. Harold R. Throm. During this entire time the cabin has been served by a small spring that originates approximately 400 feet ^{Southwest} West of the cabin and flows within 30 feet of the cabin.

To our knowledge it is the only source of water to serve this residence during the past 40 years.

Dear Sirs;

Attached please find Form No. 243 "Claim to Water Right"

The spring which I am claiming water rights to has been used by the residence on this property for over 40 years. The location of the house (log cabin) was undoubtedly selected because of the close proximity to the spring.

Our residence is the only user of water from this spring and the nearest neighbor is over $\frac{1}{2}$ mile away. The water from this spring flows into Drainage Ditch #10 (the East border of our property) which in turn flows into the Kootenai River.

We plan to continue to use this water for domestic purposes as we have during the 10 years that we have owned the property.

Your consideration in granting us this Water Right will be greatly appreciated. Enclosed is a check in the amount of \$30⁰⁰ to cover filing fee charge.

Sincerely

Harold R Throm
