CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that La Vern M. Dunning
(name of claimant)
of Box 95, Bonanza Ferry Lake, R3805, claims a right to the diversion and beneficial use of

Dear Mr Dinning,

Enclosed please find your Claim to a Water Right and your check #92-95 for \$10.00. Basically your Claim is correct; however, I feel you have perhaps made an error on it which should be checked before it becomes part of your permanent record.

Under item 5a and 8 both, you list the point of diversion as within the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec 12, T62N, R1E, B.M. However, under item 6a, you list the point of diversion as within the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec 12. I suspect that you have made an error. Please check this out and if item 6a does need to be the SW $\frac{1}{4}$ SW $\frac{1}{4}$, SEC 12, place the 2 acres in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ box on the table. (I have penciled it in but am unable to actually mark it in because the form is notarized and, as such, is your sworn statement and cannot be altered by anyone but you.)

It is in your best interest to have this Claim to a Water Right as complete and accurate as possible. Therefore, I recommend that you check the rest of it closely for factual errors. The form of it is fine, so when you have reviewed it for accuracy, return it and your check to this office and we will complete the processing.

If we may be of any further assistance, please do not hesitate to contact us.

Sincerely,

ALEA BEITO
Secretary
