Dear Mr McGinnis,

Your Claim to a Water Right & check #92-95 in the amount of \$10.00 are being returned to you for further information. Since the claim is your sworn statement, I am unable to make any changes regardless of how insignificant they might appear to be. To make the claim of the most value to you, I would suggest the following additions:

Under item 2, change the period of use to read "From Jan 1 to Dec 31".

Under item 5a, add "SW 1/4 Sec 18, T53N, R2E."

Under item 5b, add "Cattle drinking from stream--if that is, in fact, what they are doing. If you have any dams or ponds that the cattle drink from, list these as a description of the means of diversion.

Complete item 6a.

I hope these suggestions will aid you in completing your claim. If I can be of any further assistance, please do not hesitate to contact me.

Attention : Mr. Haynes

Dear Mr. Haynes;

On May 31st, in company with Mr. H.J.Orr, my neighbor, I was in your office searching for information and suggestions relative to water use on our properties here in Boundary County.

The considerable time you devoted to our problems is very much appreciated and we are thankful for your interest,

Since returning to Bonners Ferry I have contacted the A.S.C. office here for additional help. We also attended a meeting on June 7th of concerned consumers and others, particularly residents of the North Bench and Bee Line areas, who are endeavoring to find more water.

At present there are no unsolvable conflicts of interest involved so far as I am concerned, however, having lived in this area for over 50 years and having observed the gradual depletion of available water as well as the rapidly increasing population, subdivision, and increasing requirements for water I feel I must take measures to protect myself.

I am, therefore, inclosing executed "Claim to Water Right" as you suggested. Check for \$10.00 fee is also enclosed.

Bonners Ferry A.S.C. office informs me that you are planning to visit this area if possible and if you do I shall be very glad to meet with you at your convenience to discuss or inspect my water situation. Mr. Orr's problems are common to mine.

Thank you,

W.A. McGinnis
