Dear Sir

In reply to your letter in
regard to Permit No. 2484/3.

I tried to dig through
timber by hand. Found it
impossible. I waited for
better equipment. I got
a dozer and there. Dug
through timber then threw
a track in the ditch. That
is why I ask for a 10 day
extension to finish.

Sorry I didn't state my
trouble at the time.

I started the ditch the
first year. If I could do
it by hand and see
what tractor it would

not cost over \$75.

I will have this done
before the 40 days are up.

If this is cancelled
please let me know as
I can submit a new
application.

Respectfully,

R. E. Lanning
