

Permit 2365

98-2002

W. Reed

THIS INDENTURE, Made this first day of June A. D. 1921, between Albert H. Featherstone and Grace T. Featherstone, of the City of Wallace, County of Shoshone, State of Idaho, parties of the first part, and the Village of Bonner's Ferry, a Municipal Corporation, in the County of Boundary, State of Idaho, parties of the second part WITNESSETH;

That the said parties of the first part, for and in consideration of the sum of One Dollar, Lawful money of the United States of America and other good and valuable consideration, to them in hand paid by the said party of the second part, the receipt where of is hereby acknowledged, have granted, bargained, sold, remised, released and forever quit-claimed unto the said party of the second part, and by these presents do grant, bargain, sell, remise, release and forever quit-claim unto the said party of the second part and unto its successors and assigns all those certain lots, pieces and parcels of land, also that certain water works system, including all mains, laterals, pumps, meters, tanks motors, pipes, valves now used and connected therewith; also that certain franchise in the Village of Bonner's Ferry, County of Boundary, State of Idaho, to Albert H. Featherstone, one of the parties of the first part, to maintain and operate said water works system in said town of Bonners Ferry, Idaho; including also the Electric Light System now established in said town of Bonners Ferry, Idaho, including all poles, wires, transformers, lamps and all machinery and appliances forming a part of said Electric Light System in said town; also the franchise to maintain and operate said light system in said town; all situate, lying and being in the town of Bonners Ferry, County of Boundary,

98-2002

State of Idaho, also the following real property, to-wit: of way used in connection with the said water works and electric light system, the property being more particularly described as follows, to-wit:

Lots No. Thirteen (13) Fourteen (14) Fifteen (15) Sixteen (16) Seventeen (17) and Eighteen (18) in Block No Twenty-two (22) of the original town of Eaton in said County and State.

Also all that portion of the North half of the North quarter of Section Twenty-three (23) Township Sixty-two (62) North, Range One (1) West Boise Meridian, consisting of a strip, piece, parcel or belt of land twenty feet wide, and which is included between two parallel lines, with one on either side, and each ten feet distant from the center line of the flume line thereon situate, said center line of flume is particularly described as follows, To-wit:

Beginning at a point 580 feet South of the corner between sections 23 and 24, T. 62 N. R. 1 W. B. M. and on the line between said sections, running thence with magnetic courses as follows: S. 33 degrees 50' E. 309 feet; thence S. 13 Degrees 20' W. 290 feet; thence S. 41 degrees 15' W. 248 feet; thence S. 11 degrees 40' W. 97 feet; thence S. 34 degrees 15' W. 93 feet thence S. 72 degrees 15' E. 337 feet; thence S 85 degrees 40' W. 321 feet thence S. 68 degrees 45' W. 69 feet; thence S. 89 degrees 45' W. 129 feet; thence S. 59 degrees 15' W. 120 feet; thence S. 11 degrees 10' W. 209 feet; thence S. 81 degrees 15' W. 191 feet; thence S. 54 degrees 40' W. 94 feet; thence N. 87 degrees 10' W. 81 feet; thence N. 76 degrees 15' W. 320 feet; thence S. 80 degrees 10' W. 397 feet to the north bank of Myrtle creek; also that certain flume, dam and pen stock now upon said tract of land;

Also an easement and right of use the following described tract located in the North-west one fourth of the Southwest one fourth of Section Twenty-four (24), Township Sixty-two (62) North Range One (1) West Boise Meridian, in Boundary County, State of Idaho Beginning at a stake 680 feet South and 390 feet East of the quarter section post between sections 23 and 24, Township Sixty-two (62) North, Range One (1) West B. M. and running thence North 17 degrees 45' E. 100 feet; thence S. 72 degrees 15' E. 200 feet; thence S. 17 degrees 45' W. 100 feet; thence N. 72 degrees 15' W. 200 feet to the place of beginning; together with the dwelling house and power house thereon erected; also all water wheels, dynamos, motors, transformers and switch boards and all machinery now contained therein and used in connection with the said electric light and water system of the said parties of the first part, or which may hereafter be placed therein and used in connection with the production of electricity for power and lighting purposes;

Also an easement and right of way described as follows:

A tract of land ten feet on each side of a center line described as follows: Beginning at a stake 579.5 feet south of the quarter section post last above described; thence North 58 degrees East 53.75 feet; thence N. 36 degrees E. 44 feet; thence S. 72 degrees 15' E 353.75 feet to Westerly boundary of power station; also a right of way and easement for power, light and water line ten feet on each side of the center line described as follows: Beginning at a stake 654 feet south and 503 feet east of the quarter section post last above mentioned; thence south 21 degrees 45' E. 1716 feet; thence south 53 degrees 30' E. 690 feet to a point one foot south of the section line between sections 24 and 25 T. 62 N. R. 1 W. B. M.; thence east parallel to said section line to a point one foot west of the Boise Meridian; thence south parallel to said Boise Meridian a distance of 567 feet to and across Deep Creek; thence N. 86 degrees 55' E. a distance of one foot to Boise Meridian; also that certain power line and telephone line, including all wires,

poles, cross arms insulators and all things connected herewith now erected thereon

Also an easement and right of way in and to the following described tracts, located in Section Thirty (30), Township Sixty-two (62) North of Range One (1) East Boise Meridian, Boundary County State of Idaho; Ten (10) feet on each side of a center line described as follows: Beginning at a point on the Boise Meridian 567 feet south of the common corner of Sections 24 and 25 T. 62 N. R. 1 E. B. M., thence North 86 degrees 56' E. 1473 feet; thence N. 86 degrees 56' E. 1281 feet to a point ten feet north of the quarter post between sections 19 and 30 T. 62 N. R. 1 E. B. M.

Also an easement in and to the following described tracts located in Section Thirty (30) T. 62 N. R. 1, E. B. M.;

Ten feet on each side of the center line described as follows: Beginning at a point on the Boise Meridian 567 feet South of the common corner of Sections 19 & 30 T. 62 N. R. 1 E. B. M., and Sections 24 & 25 T. 62 N. R. 1 E. B. M., thence North 86 degrees 56' E. a distance of 1473 feet; thence N. 86 degrees 56' E. a distance of 1281 feet more or less to a point 10 feet North of the quarter post between Sections 19 & 30 T. 62, N. R. 1 E. B. M., together with the right to enter upon said tract, to erect a pole line for power, light and telephone service, and to maintain the same and make all repairs;

Also a ten foot strip on each side of the center line described as follows;

Beginning at a point 10 feet north of the quarter post between sections 19 and 30 T. 62 N. R. 1, E. B. M., thence running east parallel to the section line between sections 19 and 30 a distance of 2638 feet more or less to a point ten feet north and ten feet west of the corner of sections 19, 20, 29 and 30 T. 62 N. R. 1, E. B. M.; thence north parallel to section line between sections 19 and 30 Township 62 North, Range 1 E. B. M., a distance of _____ feet to the south side of the public road along the south bank of the Kootenai river, together with the light, power and telephone line now erected thereon, or which may hereafter be erected thereon, including all poles, wires cross arms, braces and insulators;

Also that certain power line extending from said above described point on the Kootenai river to the said village of Bonners Ferry, Idaho, including all poles, wires, both light, power and telephone wires thereon, also cross arms, insulators, guys, braces thereto belonging, said line extending along the line of the County road from said described point to the village of Bonners Ferry, Idaho;

Also the following described real estate, situate in the County of Boundary, State of Idaho, to-wit:

Beginning at a point on the west line of Lot Six (6) Block Six (6) McNear's Acre Tracts, 472.9 feet north of the southwest corner of said Lot Six (6) thence East (75) seventy-five feet to a point; thence North seventy-five (75) feet to a point; thence West seventy-five (75) feet to a point on west line of said Lot Six (6); thence South along said west line seventy-five (75) feet to the point of beginning. All in Section Twenty-two (22) Township Sixty-two (62) North of Range One (1) East of Boise Meridian; together with a perpetual right, without pay, to lay and maintain water pipes and maintain the same across the said land, Lots Six (6) in Block Six (6) to connect with the water tank built on the land above described from the corner of Spring Street, a distance of three hundred feet, more or less;

Also all that certain water right to the water of Little creek, in Boundary County Idaho, to the extent of twenty (20) cubic feet per second, as appropriated under Permit No. 2365, issued by the State Engineer of the State of Idaho;

DEED RECORD

ALSO all office furniture and fixtures and all tools belonging to the parties of the first part and used in connection with the said water and light systems;

And, also, all and singular, the tenements, hereditaments and appurtenances thereto belonging or in anyway appertaining, and the rents, issues and profits thereof; and, also, all the estate, right, title, interest, property, possession, claim and demand whatsoever, as well in law as in equity, of the said parties of the first part, of, in and to the said premises and to every part and parcel thereof, with the appurtenances.

TO HAVE AND TO HOLD, all and singular, the premises, together with the appurtenances and privileges thereto incident unto the said parties of the second part, its successors and assigns forever. (\$48.00 revenue stamps attached and duly cancelled.)

IN WITNESS WHEREOF, the said parties of the first part have hereunto subscribed their names the day and year first above written.

Signed and delivered in the presence of:

No. 3258

A P P L I C A T I O N F O R P E R M I T

To Appropriate the Public Waters of the State of Idaho.

1. Name of applicant - ALBERT H. FEATHERSTONE

Postoffice address: P. O. Wallace, Idaho.

County of Shoshone.

2. The quantity of water claimed is twenty (20) cubic feet per second.

3. Source of water supply - Myrtle Creek in ^{Boundary} ~~Kootane~~ County, Idaho.

4. Location of point of diversion is in North west quarter of South East quarter of Section 23, Township 62 North, Range 1 West B. M.

5. To be used for:

II. Mining, power, manufacturing or transportation purposes:

(a) To be used for Power, manufacturing and Electric lighting.

(b) Amount of power to be generated 200 horse power.

(c) At what point near west line of NW $\frac{1}{4}$ of SW $\frac{1}{4}$ Sec. 24, T. 62 N., R. 1 W. B. M.

(d) Is water to be returned to any stream? Yes.

(e) If so, name stream and locate point of return - at point of use.

6. Estimated cost of works - \$35,000.00

7. Description of Works for Diversion:

I. Kinds of works - Dam, flume and Penstock.

II. Dimensions of Works:

(a) Height of dam 5 feet, length of dam at top 40 feet, length of dam at bottom 40 feet, material used in construction wood, earth, stone & concrete.

(b) Capacity of reservoir - No reservoir - diversion dam only.

(c) Size of headgate, width 3 feet, height 3 feet.

(d) Ditch (flume or pipe) width at bottom 3 feet, width at water line 3 feet, depth of water 2 feet. Average grade per mile is 7 $\frac{1}{2}$ feet. Length of ditch is 3200 feet, and it crosses the following quarter sections - SE $\frac{1}{4}$ Sec. 23, T. 62 N., R. 1 W. B. M., also portion of SW $\frac{1}{4}$ Sec. 24, T. 62 N. R. 1 W. B. M., the point of intended use.

8. Time required for the completion of the construction of such work is one year.

9. Time required for the complete application of the water to the proposed use is one year.

Approval of State Engineer.

The number of this permit is 2365

Date of first receipt of application 9 a. m. October 1, 1906.

Returned to applicant for correction October 8, 1906.

Corrected application received November 1, 1906.

Recorded in Book 7, page 2365. Approved November 3, 1906.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho, and hereby grant the same, subject to the following limitations and conditions:

Work to begin on or before January 2, 1907, and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before May 3, 1907.

The whole of said work to be completed on or before November 3, 1907.

The time for the proof of beneficial use of water appropriated in accordance herewith, to extend to November 3, 1908.

Witness my hand this 3 day of November, 1906?

Jas. Stephenson, Jr.

State Engineer.

Blank notice for proof of completion mailed applicant August 1, 1907.

Notice of proof received August 9, 1907, fixing September 23, 1907, as date and Bonners Ferry as place of proof.

Notice for publication mailed the Herald at Bonners Ferry August 9, 1907.

Depositions blanks mailed applicant August 9, 1907.

L. J. Bailey authorized August 9, 1907, to make examination of works.

His report received September 25, 1907.

Affidavit of publication and depositions received October 24, 1907.

Fees received October 29, 1907.

Certificate of completion issued October 29, 1907.

Permit No. 2365.

CERTIFICATE OF COMPLETION OF WORKS.

This is to certify that

ALBERT H. FEATHERSTONE of Wallace, County of Shoshone and State of Idaho, the holder of Permit No. 2365, issued upon Application No. 3258, bearing date of priority of October 1, 1906, authorizing the diversion of 20 second feet of the waters of Myrtle Creek, County of Kootenai, State of Idaho, for power purposes, has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use 20 second-feet of the waters of Myrtle Creek; that the point of diversion of said waters is in the Northwest quarter of the Southeast quarter (NW $\frac{1}{4}$ SE $\frac{1}{4}$) Section 23, Township 62 North, Range 1 West of Boise Meridian, and that the place of use of said water is in the Southwest quarter of Section 24, Township 62 North, Range 1 West of Boise Meridian.

Witness my hand this 29th day of October, A. D. 1907.

Jas. Stephenson, Jr.

Water License No. 2365.

WHEREAS, On the 1st day of October A.D.1906, ALBERT H. FEATHERSTONE, of Wallace, County of Shoshone, and State of Idaho, duly made application (No. 3358) to me for a permit to use 20 cubic feet per second of the waters of Myrtle Creek, County of Bonner., State of Idaho, for mining and power purposes; and

WHEREAS, On the 3rd day of November A.D.1906 Permit No. 2365, was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 3rd day of November A.D.1907, and for the application to beneficial use of said water on or before the 3rd day of November A.D.1908, and,

WHEREAS, On the 23rd day of September A.D.1907, the holder of said permit duly made proof of the completion of adequate works for the diversion of 20 cubic feet per second of said waters, as evidenced by my Certificate No. 2365, dated October 29, 1907, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use 20 cubic feet per second of water, with date of priority of October 1, 1906, and,

WHEREAS, On the 3rd day of November A.D.1908, proof was duly made of the application to beneficial use of 20 cubic feet per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to ALBERT H. FEATHERSTONE, of Wallace, Idaho, the holder and owner of said Permit No. 2365, a perpetual right, dating from October 1, 1906, to the use of 20 cubic feet per second of the waters of Myrtle Creek, in the County of Bonner., and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point in the northwest quarter of southeast quarter of section 23, township 62 north, range 1 west of the Boise meridian, and conducted to the (southwest quarter of section 24, township 62 north, range 1 west of the Boise meridian, for the purpose of mining and power use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 31st day of December A.D.
 Nineteen Hundred and eight.

Jas. Stephenson, Jr.

State Engineer.

Dear Mr. Bosch:

On May 20, 1968, you sent us a receipt for the \$5.00 that we had submitted for copies of Permit No. 2365. With the receipt you sent a cover letter advising that the copies had been mailed to us at an earlier date. We waited to see if they would come in, however they have never been received by us. Would you please check your files to see if perhaps they were not sent? In any event, we do need two copies of that permit. Thank you.
