CONDITIONS/REMARKS:

1. The maximum diversion volume is defined as the maximum allowable volume of water that may be diverted annually from the source under this right. The use of water confirmed by this right is limited to the amount which can actually be beneficially used. The maximum diversion volume may be adjusted to reflect cropping patterns or acceptable standards of water delivery efficiency.
2. This water right is appurtenant to the described place of use.
3. This right is subject to all prior water rights and may be forfeited by five years of non-use.
4. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho law.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. Witness the seal and signature of the Director, affixed at Boise, this 15 day of SEPTEMBER, 1989.

ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that I have examined Application for Permit to appropriate the public waters of the State of Idaho No. 97-7280 and said application is hereby APPROVED

1. Approval of said application is subject to the following limitations and conditions:

a. SUBJECT TO ALL PRIOR WATER RIGHTS.

b. Proof of construction of works and application of water to beneficial use shall be submitted on or before

May 1, 1988.

c. The rate of diversion, if water is to be used for irrigation under this permit, when combined with all other water rights for the same land shall not exceed 0.02 cubic feet per second for each acre of land.

d. The water right acquired under this permit if for hydropower purposes shall be junior and subordinate to all rights to the use of water, other than hydropower, within the State of Idaho that are initiated later in time than the priority of this permit and shall not give rise to any right or claim against any future rights to the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this permit.

e. Other:

The issuance of this permit in no way grants any right-of-way or easement across the land of another.

RE: 97-7280

Dear Mr. Clauson:

Recently the Department of Lands received a copy of the above numbered diversion application which you submitted to the Department of Water Resources. Priest Lake is a navigable lake and a temporary permit and an encroachment permit will be required from the Department of Lands for the pump and waterline.

If the application to Water Resources is for a system installed prior to 1974, please furnish drawings and the \$10.00 temporary permit fee.

If the application is for a new system, please complete the enclosed application as per the instructions on the back of the form. Mail along with your payment of \$60.00 to this office. The temporary permit fee is \$10.00, runs for five years and is renewable. The encroachment application fee is \$25.00 and advertising cost of \$25.00. Please submit a plat and property description showing location of the waterline.

Sincerely,

Re: 97-7280

Dear Mr. Clauson:

The Department of Water Resources acknowledges receipt of your water right application for permit. The application has been assigned Identification No. 97-7280. Please refer to this number in all further correspondence.

This office is currently in the process of advertising the application in the Priest River Times. The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our state office in about five weeks. State office personnel will conduct a complete review prior to the final processing of the application and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Enclosed please find your Receipt No. 38232 for the amount of \$30.00.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,
