Dear Mr. King

I wish to amend my Proof of Beneficial Use for #217 for the person for whom to contact for the field examination. John Jackson, the contractor who built our home, is re-locating from Rathdrum, Idaho to Sequim, Washington effective September 1, 1985.

I have typed in the name of Orville Bailey, owner of the Sandpiper Shores subdivision at the north end of Priest Lake where we own our property, for the person to contact for the field examination. I have given Mr. Bailey a copy of your letter of June 21, 1985. Mr. Bailey has a key to our garage where the water pump and equipment ~~are~~ stored.

I will be unable to be present as my wife has recently had major surgery; however, Mr. Bailey can show your field examiner our water system and Jim Worst, who installed the system, can answer any technical questions. Mr. Worst can be contacted at 664-2133.

I have also enclosed some photographs of the water system. If you have any further questions, please do not hesitate to contact me.

Dear Mr. Young:

I am returning your Claim along with your Check No. 92-311.

A claim may only be filed on surface water if the use was established prior to May 20, 1971. Since you list the priority as May of 1981, your claim cannot be accepted.

I am including an Application for Permit which is the correct form to file for a new use of water.

If you have any questions, please contact me at this office.

Sincerely,
