I have received an approved application for a water permit.

Included in the approved application was a notice asking for proof of beneficial use.

At this time I am unsure of the action I am required to take in order to develop this permit into a license.

Please inform me of what further steps or what other forms must be filed in order to complete this water permit.

If time has expired on this permit I would like to ask for an extension on this permit due to the fact of my lack of knowledge on how to proceed on this matter.
