Dear Mr. King:

Regarding an appointment for a Department Representative to examine our well and water system--I am at home most of the time or close around but it would be advisable to call first to be sure. The water system has been in use for fourteen or more years to my home and my Son's mobile Home.

Larry, (my son) drives truck for LP and so his hours are extensive and varied but he quite likely could be here on a Saturday morning if you would prefer him. Otherwise I'm sure I can furnish all the information needed.

Yours truly,
